Do you see any reason why you could not complete a 40 hour/week internship?

Yes No

Please answer the following essay questions:

1. Please respond to the following scenario:

You are called to meet a newly admitted 10-year-old boy with a broken leg.

- What information would you obtain in order to assess the patient?
- What Child Life interventions would you provide?
- Describe a therapeutic activity you would use to engage the patient.

2. What do you anticipate will be the biggest challenges and/or stressors of working as a Child Life Specialist? How will you personally cope with these challenges?

3. Why are you specifically interested in completing your internship at Penn State Children's Hospital?
