Congratulations on your pregnancy!

Learning about your pregnancy, birth, and early parenting is vital to the health of you and your baby. The Childbirth Education program offers many learning opportunities. **Please see the schedule for class dates.** Be sure to enroll early, classes do fill quickly (you are encouraged to begin classes at 28-30 weeks). If you have questions, please call 717-531-6981.

To register, complete this form and return top copy with payment, payable to **HMC** (*note: state medical assistance does not require payment up front, but you must submit a registration form to enroll in your classes). Mail to:
